MEMORANDUM FOR THE MEMBERS OF IAC AND USCIB

SUBJECT : Discussion of Questions Related to Implementation of Presidential Decision with Respect to Recommendation No. 2 of President's Board of Consultants on Foreign Intelligence Activities

REFERENCE : (a) IAC-M-333, 18 March 1958, item 3 a
(b) Memorandum for Members of USCIB and IAC from Director of Central Intelligence, dated 25 March (distributed through special channels)

1. We have been advised that a firm date has now been set for an exchange of views between the members of IAC and USCIB and Generals Cutler and Hull (together with appropriate members of their staffs) on questions related to implementation of the recent Presidential decision that the responsibilities now discharged by IAC and USCIB be vested in a single board. This discussion will be the first order of business at the IAC meeting scheduled for 1045, Tuesday, 22 April, in the IAC Conference Room, Administration Building, CIA.

2. Members of both IAC and USCIB, and such members of their staffs as they select, are invited to be present for this item. However, in order to restrict the over-all size of the group attending this discussion the Director of Central Intelligence suggests that each member should not have more than two of his staff representatives present during this portion of the meeting.
